

**2007 National Conference  
Professional Development  
Hour (PDH)  
Tracking Sheet**

Use this form to annotate which sessions you attended and track the recommended PDHs you earn.  
**IMPORTANT:** You will also be able to swipe your badge at each session and keep the receipt as proof of attendance to file with your licensing board or certification governing body. Each member is responsible for applying for his or her own PDHs after the conference. SAME cannot guarantee that all boards will accept all PDH credit; please check with your licensing board for more information.

**NAME:** \_\_\_\_\_

- Track 1           Contingency Engineering and Reconstruction; Emergency Preparedness and Response
- Track 2           Installation Development and Realignment (BRAC)

**\*This program was submitted for CFM/FMP Maintenance Points. The Professional Development Department of the International Facility Management Association reviews the educational content of all programs. In accordance with the standards set by the International Association for Continuing Education and Training (IACET), this event was awarded 1 CFM/FMP Maintenance Point per hour of instruction. The CFM/FMP Maintenance Points awarded are recognized units designed to provide a record of an individual’s continuing education accomplishments for renewing the CFM certification and FMP designation. To earn the maintenance points, place your meeting confirmation notice in your personal renewal records and record the name of the program that you attended.**
