

Society of American Military Engineers Engineering and Construction Camps – 2012

S.A.M.E. offers high school sophomores, juniors and selected seniors the opportunity to attend a one week camp where they learn leadership, engineering and construction skills plus have fun with students from around the world. Chicago Post of S.A.M.E. will sponsor one or more high school student to attend the 2012 camps. Sponsorships will include round trip air fare and ½ of camp registration fees. Qualifications and application forms can be found at <http://posts.same.org/camps/>.

Chicago Post sponsorship does not guarantee acceptance to a camp. Applicants must apply for sponsorship by submitting a completed application package to Thomas Sydelko by February 24, 2012 and apply directly to the desired camp(s) by the appropriate camp application deadline listed below.
