Dear Sirs,

I would like express my appreciation for being selected to receive the SAME Scholarship. Your generous gift will help defray tuition expenses as I begin my studies at the University of Delaware. It goes without saying that college is definitely an expensive endeavor, and without help from outside sources, such as your scholarship, achieving my goal of a college education may have been a financial hardship.

I am both honored and grateful to have been chosen as a recipient of this wonderful gift that will bring me one step closer to achieving my goals in college.

Thank You,

Corey Tappan
