SAME National Awards Committee,

I strongly recommend LTJG Bryan Beyer as SAME Military Young Member of the Year Award. Brian just recently transitioned back to the Hampton Roads area and has made an immediate impact on the Post.

Bryan volunteered to the lead effort to design and procure a post coin to be used as presentos to our guest speakers and recognize our members who step forward to promote the SAME Mission and values. Bryan also volunteered to provide support the Hampton Roads USO party on behalf of SAME. He helped bring a little joy to over 300 children assembled at this event.

Most recently, Bryan took on a last minute tasking to find a Marine to attend our December meeting to accept gifts brought in support of Toys for Tots. His initiative resulted in the post's ability to present over 40 gifts and \$80 to the local effort.

Finally, Bryan has volunteered to be a mentor for this summer's USAFA Engineering Camp. Bryan is a great leader and will make a superior role model and mentor for young high school students.

He is a confident and outgoing individual and exactly the type of person we want to represent military engineering and SAME. His efforts are in support of the post serve as the role model as we are making efforts to increase both public sector and young member participation in the organization.

Please let me know if you have any questions regarding this nomination. I can be reached at 757-201-7603.

Respectfully,

LTC Michael Darrow  
President
