## PENSACOLA CHAPTER NOTES:

Associates and Friends of SAME and the Greater Pensacola CEC Wardroom:

### 1. *Please accept this invitation to our upcoming SAME luncheon.*

Join the Society of American Military Engineers for our next meeting. It will be held at the Officers' Club Bay Room at 1130. Lunch will begin at 1130 with the presentation at 1200. Everyone please RSVP to [dane.elles@navy.mil](mailto:dane.elles@navy.mil) by 16April with your lunch selection from the attached menu. The cost is a flat rate of \$10.00 for members \$12.00 for non-members, includes meal, water/iced tea, and tip. Other drinks cost extra. **We will be doing a business card drawing; winner receives their lunch FREE!!! paid for by the Post.** Any prospective members or those who are just interested are more than welcome to join us for lunch.

### 2. *Some topics of discussion during the last board meeting were:*

-Decision has been made to go forth with hiring a webmaster to manage our local website. A proposal was provided by Sunshine Technologies

-Pensacola Post wants to send a Young Member to the National Conference from 19-23 May in Minneapolis.

-Upcoming Programs for future meetings

15 May UF Escambia County Extension Service Field Trip

12 June Doug Shackelford talking about Portable Flood Walls (tentative)

17 July ECUA Sewage Treatment Plans for Pensacola (tentative)

### 3. *What has SAME Pensacola been up to?*

-Friday April 11<sup>th</sup> the Post Board had the pleasure of meeting with the Dean and Faculty of UWF's Science and Technology department to discuss future opportunities for involvement in continuing education events for engineers in the local area and also about engaging today's youth into becoming tomorrow's engineers. There was a big focus in an "intern like" structure for involving engineering students in the local engineering firms and also on base working with the Navy.

-The Pensacola Post is once again offering two \$1,000 college scholarships to local engineering undergrads and prospective engineering majors. One scholarship is designated for local high school seniors planning to major in engineering or an engineering-related field. The other scholarship is for a current engineering undergrad from the local area. The application and instructions for both scholarships are attached. The deadline for applications is April 17. Any questions please contact Wes Hamill, [wesley.hamill@navy.mil](mailto:wesley.hamill@navy.mil)

The SAME is dedicated to nourishing future generations of engineers through our scholarship program. In 2007 SAME awarded nearly \$4,000 of scholarships to deserving students.
