2. General Information...

Airport Expansion Brief and Tour

Jul 16 is our next Post meeting. We will be given a presentation by Mr. Dave Mathias, AECOM. He will be discussing the current expansion project that is ongoing at Pensacola Regional Airport. For those interested there will be a tour of the project site afterwards. This will be a lunch meeting at the Airport however for this particular event attendees will have to make their own arrangements. It should be an enlightening brief and an enjoyable tour.

Habitat for Humanity

The 2009 SAME community service project is scheduled for Saturday, July 18 from 8:00 - 3:00. Once again the chapter will be working on a Habitat for Humanity project. Habitat for Humanity is a non-profit, ecumenical, Christian ministry whose purpose is to build homes and improve communities in partnership with low and very low income families in Escambia and Santa Rosa Counties. Interested volunteers should RSVP to Wes Hamill (wesley.hamill@navy.mil), complete a liability waiver (obtainable through Wes) and register at the website below:

<http://www.pensacolahabitat.org>

Volunteers should also bring a lunch, water bottle and gloves. The work site is located at 4661 Cerny Road. A map is provided below:
