Mark your calendars:

20 Jan – Current Seabee Operations and Readiness

Commander Victor Velasco, USN will be presenting. Lunch and the presentation will be at the University of West Florida's Building 70, Room 115 (the new Applied Science and Technology building) from 11:30 to 1:00. Lunch will be catered and will be \$5 per person at the door. Special accommodations are being made by Parking Services so that SAME members will NOT have to obtain visitor's passes as long as they park in spaces in front of building 70 or across the street in lot Z after the spaces in front of building 70 fill up. See the attached maps for directions.

The SAME Regional Vice President will be in attendance to host the induction of the newly elected officers. We will also hear a short presentation from our Pensacola High School students about the Pensacola Invitational Math Competition 2011.

28 Jan - Grand Opening of the Applied Sciences and Technology Building at UWF. Dr. White, UWF, has extended an invitation to the SAME membership for the grand opening of the Applied Sciences and Technology building. See the following link for details: <http://uwf.edu/development/email/1111ectinvite/>

12 February - The 56th annual **West Panhandle Regional Science and Engineering Fair** will be held at the University of West Florida. Each year our local SAME chapter provides volunteers to serve as judges for the event. The SAME is sponsoring the award for both the middle school and high school winners in the Engineering category. Details on the event and a registration form for interested volunteers can be found in the following link: <http://uwf.edu/sciencefair/judges/>

17 February – Christine Buziak, Army Corps of Engineers will present on the F-35 Construction and the 7th Special Forces at Eglin AFB. Venue details will be in the February 2011 newsletter.

11-13 April – Power-Up 2011 Energy Expo. The Post is in the early stages of planning a Spring 2011 Golf event in conjunction with the Gulf Coast Energy Network's Power Up 2011 Energy Expo. The conference is April 11-13 at the Hilton on Pensacola Beach (www.PowerUpEnergyExpo.com). The Post is looking to put together a planning committee for the event. Please email SenFeng"Sam" Yu senfeng.yu@navy.mil (the upcoming Post Secretary) if you are interested in volunteering.

15 April - The deadline for SAME engineering scholarships is Friday, April 15. See the Post website <http://posts.same.org/pensacola/> for more details and a link to the applications.

28 October - The annual golf tournament is Friday, October 28 at AC Read Golf Course.

What has SAME Pensacola been up to?

SAME Pensacola committed to sponsor a math competition for middle school students as a Pensacola High School volunteer project. SAME Pensacola will match their fundraising efforts up to \$1,000.

Each of the Vice Presidents has been gathering ideas and input to prepare for the upcoming year. Any volunteers or ideas that anyone would like to contribute in the areas of Education and Training, Outreach, Relationships, or Contingency are greatly welcomed.
