## **Message From the President**

Due to the disruption caused by Hurricane Dennis, we are going to cancel this month's General Membership Meeting. While we regret the necessity of taking this action, we believe it is the right thing to do under the circumstances as we all work to repair the damage from the storm. I sincerely hope all of you fared well at your homes and at your businesses and look forward to seeing you next month as we get back on schedule. Thank you for your continued support of SAME.

Sincerely,

Bob
