Small- 4 of 8:

Medium- 5 of 8

Large- 6 of 8:

Earned Streamer: Yes or No

With Distinction: Yes or No

Readiness & Homeland Security Streamer

Submission Form

1. **Principal Criteria:** Collaborate and Conduct Outreach

Required: 1A) **Desired:** 1B), 1C) or 1D)

- A. Conduct outreach to a minimum of three Federal, State, Local agencies and NGOs to provide them copies of the SAME [Sustaining Member Directory](#) or equivalent document developed by a Post, and the [TISP Resiliency Guide](#) and explain their value.
- B. Hold a Post Mobilization Readiness Exercise to test the ability of Posts to call up Sustaining Member firms to respond to requests for assistance using the emergency numbers and capabilities contained in the [Sustaining Member Directory](#) or equivalent document developed by the Post.
- C. Participate in a Readiness Exercise.
- D. Conduct a Readiness and Homeland Security Workshop as a Post or jointly with other SAME Posts or organizations.

2. **Principal Criteria:** Training and Education of Committee Members

Required: 2A) **Desired:** 2B) or 2C)

- A. Three committee members have completed [IS-100.a \(ICS\)](#) level training in the calendar year or prior years.
- B. Three committee members have completed [IS-200.a \(ICS\)](#) or [IS-700.a \(ICS 700\)](#) level training in the calendar year or prior years.
- C. Three committee members each complete eight hours of training during a calendar year.
(Note: These hours can accumulate from taking applicable courses or providing instructional training in the form of a presentation or teaching a course. Course examples include EOC Management and Operations [IS-775](#), emergency management [courses](#), or any other application courses or presentation materials which provide members with readiness and national security training or instruct an audience on readiness and national security issues, respectively.)

3. **Principal Criteria:** Committee Members Engage in Discussion of Readiness and Homeland Security Issues Outside the Post

Desired 3A, 3B or 3C

- A. Submit for publication to ***TME (The Military Engineer)*** or other relevant publication an article on Readiness and Homeland Security.
- B. Make a presentation on Readiness and Homeland Security issues or best practices to the SAME JETC, SAME regional conference or organization's conference
- C. Send a Post Committee member to the TISP Annual Conference or other TISP event.

- DOD Base Readiness Exercises
- DOE Facility Readiness Exercises
- DHS HSEEP Exercises
- FEMA Exercises
- Emergency Management Exercise at College or University
- USCG Exercises
- State Readiness Exercises
- City/County Readiness Exercises
- Port Facility Readiness Exercises

1D) Preparing a Post Readiness Workshop

The following is an example of the Northern Virginia Post's Readiness "Sustainability and Security in the NCR" Workshop/Seminar.

Seminar Description: The theme for this year's session is "Sustainability and Security in the NCR". Recent legislation and new executive orders are dramatically changing the relationships of the federal, state, and local governments, and communities to achieve new sustainability, energy efficiency, and security goals. The future federal, local government, and private sector buildings; transit; and workforce will be dramatically different than today. The seminar will provide an overview of the challenges and potential solutions to come.

Agenda:

1030	Welcome and Introductions: Post Committee Director
1040-1110	Environmental Protection Agency Energy Star
1110-1140	Arlington/Alex GSA Future Federal Workforce Study: Arlington Economic Development
1145-1300	Lunch: Welcome and Introduction: Ft Belvoir Garrison Commander or designee Keynote Speaker: Deputy Director, Department of Defense Undersecretary for Installations and Environment
1300-1330	Department of Defense Washington Headquarters Service: Director
1330-1400	Department of Homeland Security NIPP, NRF and NIMS Update
1400	Conclusion: SAME Northern Virginia Post President
