- Director of NCO Programs:**
 VACANT

**This
 Month's
 Membership
 Meeting**

We're in for a treat as LTJG Derek Rinaldo shares with us his first-hand experiences in Iraq and Afghanistan. He'll address "What's needed for a successful troop build-up?" Better than getting it from CNN, Fox News, or whatever your media source is, you'll get the latest from a Combat Engineer who's walked the ground in both countries. Our meeting is on 27 Apr in the RED HORSE compound. If you'd like to join for lunch, arrive at the RED HORSE Dining Facility by 11:30. The meeting will get underway at about 12:00 in the 555 RED HORSE Conference Room (Bldg 10210). You'll enter Nellis AFB through the Area II Gate, opposite the Las Vegas Motor Speedway. If you need access to Nellis AFB (you don't have an Armed Forces Identification Card or other credential to get you through the Gate) please RSVP to Russ.Collins@nellis.af.mil by 4:00 pm Thursday 22 Apr.

**Last
 Month's
 Meeting**

We had a great outing to Creech AFB. The bus was full, the weather was great, and the info was insightful! Thanks to Capt Jonathan Ball for the guided tour. 99 CES sponsored the event and the raffle raised \$213 for the Education & Mentoring Fund.

**Upcoming
 Meetings**

Our Joint Engineer Training Conference and Exposition (aka National Conference) will take place May 4 – 7 in Atlanta, Georgia. Registration is underway online at <http://www.same.org/i4a/pages/index.cfm?pageID=5048>. Our monthly meeting will occur on May 25 and promises to be another great field trip, this time to Boulder City to view the Desert Research Institute's lysimeters (see LVRJ article at <http://www.lvrj.com/news/desert-hydrologists-go-with-the-flow-at-tunnel-project-in-boulder-city-89380192.html>). Please mark your calendars and plan to join us on this informative outing.

**When is the
 2010 Golf
 Tournament?**

Our 11th Annual Nevada Day Golf Tournament will be the last Friday in October, which is when Nevada Day is recognized. So mark your calendars for 29 Oct 2010, so it doesn't sneak up on you. As we've done in the past, we'll feature an Early Bird discount, so be sure to sign up early and reap the savings. We were very close to selling out the course last year, so let's see if we can fill the links this year. Each year this tournament gets better and better, so mark your calendar and join us in a great outing.
