**This Month's  
Membership  
Meeting:**

We're in the process of putting together this month's meeting. We've asked the Army Corps of Engineers to provide a presentation on their building commis-sioning process and we've asked our own Paul Gerner to present on the Clark County School District facility development plan. Either way, we'll have a great presentation, so come on out and join us. The meeting will take place on Thursday, 26 Aug 2004, at 11:30 a.m. at the Nellis Air Force Base Officer's Club. If you plan to come to the meeting, contact **Russ Collins (652-3046 or email [Russ.Collins@nellis.af.mil](mailto:Russ.Collins@nellis.af.mil)) by 1200 on Wednesday, 25 Aug**, to add your name to the list at the gate.

**Next Month's  
Membership  
Meeting**

Next month we're planning a trek out to the Water Treatment Plant. This field trip will be in addition to our regularly scheduled meeting. The trip is slated for 16 Sep. Mike Pullen will provide further details during our 26 Aug meeting, so stay tuned. Our membership meeting topic is whichever of the two topics mentioned above that we do not cover during our August meeting.

**Next Executive  
Board Meeting:**

The next executive board meeting will be 26 Aug 2004, at 1:00 p.m. in the Officer's Club Check Six Lounge.

**Youth  
Programs  
Update:**

Our Construction Camp attendees, Jenny Ting, Dieremi Guerrero, and Noah Stokely returned from their great Construction Camp experience at Port Hueneme, California. They'll be making a presentation on their adventure at a future meeting. We look forward to hearing from them.

**Miscellaneous  
News:**

CALLING ALL HACKERS!! We're fervently planning our Fall Golf Tournament, scheduled for 29 October at the award-winning Sunrise Vista Golf Course. Mark your calendar and plan to come out, have a great time, and get buzzed by low flying, high performance aircraft! We're also planning a tour of Indian Springs Air Force Auxiliary Field and its Predator operations, and an end of year social. We look forward to seeing you at our next meeting.
